CAREER OBJECTIVE

To secure an internship in a reputable tech company where I can gain practical experience in software development, learn from industry professionals, and apply my academic knowledge to real-world projects.

EDUCATIONAL QUALIFICATIONS

My educational background includes:

- **Bachelor of Technology** in **Computer Science and Business Systems**: Currently pursuing this degree at **K S Rangasamy College of Technology (Autonomous)**, Tiruchengode, affiliated with Anna University, Chennai. My expected graduation date is May 2027, and I have a **CGPA of 8.16** (upto 2nd Semester).

- Higher Secondary Certificate (HSC): Passed in March 2023 from Sri Vidya Mandir MHSS, Salem-636030 (State Board of Tamil Nadu) with a score of **86.67%**. (Cut-off score mentioned: **180.5**)

- Secondary School Leaving Certificate (SSLC): Passed in March 2021 from Sri Vidya Mandir MHSS, Salem-636030 (State Board of Tamil Nadu).

AREAS OF INTEREST

▪ *Programming :*

Coding allows me to solve complex problems creatively, and I am always eager to learn new languages and technologies.

- *Web Development:*

  I enjoy building interactive and user-friendly websites. Web development allows me to combine creativity and technical skills to create engaging online experiences.

- *Cyber Security:*

  I am passionate about protecting digital information and systems and Cybersecurity fascinates me because it involves solving complex security challenges.

- *Data Analysis:*

  I enjoy working with data to uncover insights and trends. Analysing data helps me understand complex problems and make informed decisions.

Internship Experience

Tech Nuke Company |Thirupattur, Tamil Nadu |July 2024 - August 2024 | Web Developer
- Gained hands-on experience in web development, encompassing both front-end and back-end technologies.
- Proficiently utilized Git and GitHub for version control and collaboration.
- Developed a strong understanding of API integration and implementation.

I worked on two projects during my internship:

- **NGO Website:** Helped create a website for a non-profit organization. It had features for donations, events, and volunteers.
- **E-commerce Website:** Built a website for selling things online. It included ways to pay, see products, and add items to a cart and also I'm the tester of the website.

MINI PROJECTS

➤ **A PROJECT FOR RAILWAYS MANAGEMENT SYSTEMS (JAVA+FILES):**
  This project is a web-based system for checking PNR status and booking train tickets. Users can enter their details, make payments, and receive unique PNR numbers. The system validates transactions, assigns seats, and generates booking records. It stores booking details in files categorized by coach types (Sleeper, Chair, AC).

➤ **A Project for Library management:**
  This C program manages book information using structures. Users can add, display, and list books by author. The system stores book details (title, author, pages, price) and has a menu-driven interface.

TECHNICAL SKILLS

➤ Known coding languages: Java,R and python.
➤ I know the basic Computer handling.
➤ Git & GitHub

CO-CURRICULAR ACTIVITIES

➢ Workshops:

1. Participated in the workshop on **Internet of Things (IoT)** at **K.S.Rangasamy College of Technology (Autonomous),** Tiruchengode during 14,15 feb-2024 and learnt about the basics knowledge of IoT and its sectors.
2. Participated in the workshop on **The way of Entrepreneurship in AI** at **Mahendra Engineering College(Autonomous)**,Mallasamudram during 15 mar-2024. Here, I learnt the idea about Artificial intelligent , Deep learning, Machine learning and Entrepreneurship through AI
3. Participated in the workshop on **Cyber Security tools** at **Vinayaka Mission's Kirupananda Engineering College**, Salem during 03 Apl 2024 and grain the interest in the field of security side in the technological world.

➢ Paper Presentation:

1. Presented a PPT at **Knowledge Institute of Technology**(*Autonomous*),Salem, Presented in the topic of **Impact of AI in Machines** during 22 Mar 2024 **,** Here I learnt to manage the Stage fear.

➢ Online Courses:

1. '**Introduction to Cyber security'** in Great Learning.
2. '**Collections in Java'** in Great Learning.
3. '**Introduction to R'** in Great learning.
4. '**Core Java specification'** in Coursera.
5. '**UiPath Automation Explorer for Students**' in Uipath academic alliance.

- Personal Traits   : Humble,leadership ,discipline and adoptability.
- Hobbies   : Reading, playing Cricket and chess, Listenting music.
